BR1 3UH

Dear Ms Nowak-John,

I support the Planning Application: 23/00178/FULL1, Blenheim Shopping Centre, High Street, Penge, London SE20 8RW

- It will create 2,600 sqm of commercial space, including a new Iceland store providing a modern, fit for purpose retail environment to replace the existing shopping centre.
- A new public route connecting the High Street and Burnham Road will be formed, creating a new civic square for Penge.
- A new pocket park is proposed towards Blenheim Road providing a great opportunity to create a quiet and green piece of public realm.
- The introduction of 250 new homes, in which 35% will be affordable, will help release pressure on housing in the local area.
- In addition, 100 trees will be planted on the site, helping to achieve a biodiversity net gain of 61%, well in excess of the 10% policy target set out by the GLA.

Additional comments:

These new homes will be good for the community as we don't have a lot available
